

MERIC
September 2017

The STEM (Science, Technology, Engineering and Mathematics) Pathway Summary is a summary of real time labor market analysis for the Pathway occupations across the state over the last 6 months for jobs in the **Health Care and Life Sciences**.

Occupations in the areas of Science, Technology, Engineering and Mathematics (STEM) are some of the most in-demand and highest paying jobs in Missouri. STEM occupations can be found a wide range of industries, such as Health Care and Life Sciences.

This information was produced in partnership with the Missouri Community College Association to support the MoSTEMWINS grant, which provides training opportunities for in-demand jobs.
